 **Date:** June 17, 2026

 **Race:** Prince Of Wales's Stakes (Group 1), 2004m

 **Status:** Finalized (Prompt 16 R&S - Dossier Integrated)

## SECTION 1: Neural Field Leaderboards & Race Flow (MANDATORY)

### PROJECTED RACE FLOW

- **Pace Scenario:** [Moderate]
- **Projected Leader:** #5 Mississippi River (HPR: 88 | Likely Lone Lead? Y)
- **Stalking Group:** #1 Almaqam, #7 Minnie Hauk, #3 Daryz
- **Closer/SAI Threats:** #6 Ombudsman, #8 See The Fire
- **Analysis:** With an extended 2004m (1m 2f) round course journey at Ascot, the draw bias is completely neutralized. Mississippi River projects to secure an uncontested lead on the engine, setting a moderate tempo. The tracking pack—headlined by Almaqam and the high-class Daryz—will stalk just off the pace, looking to strike before the deep closers (Ombudsman) can wind up in the straight.

## B. THE FIELD SUMMARY (Ranks 6+)

- **#5 Mississippi River (Odds: 16.0):** TPN 79 [Fringe]. Master's Plan intent noted from Aidan O'Brien yard despite poor recent margins, but raw class ceiling (109.5) struggles vs the Titans.
- **#4 Devil's Advocate (Odds: 14.0):** TPN 74 [Fringe]. Gosden Surge aids score, but unplaced 18L form last start deeply limits his win equity against this level of pure Group 1 firepower.
- **#2 Dancing Gemini (Odds: 31.0):** TPN 73 [Non-Contender]. Peaking cycle detected (+10), but raw Neural rating (71.5) lags the field par massively.

## Section 3: Automated Deep Dive & Re-Rank (Mandatory)

---

- **Deep Dive Audit:**
  - Checked #5 Mississippi River: Module 4's "Master's Plan" Group Stakes Intent was applied during baseline calculations (Trainer Aidan O'Brien + Group 1 + poor recent form). This waived his recent margin penalties and prevented him from sinking to Non-Contender status, keeping him alive as a Fringe exotic speed threat.

- Checked #2 Dancing Gemini: Although his raw NR is very low (71.5), the Module 0 Cycle Audit properly flagged his "Peaking" 3rd-Up progression (improved from 6th to 4th last start).
- **Result:** No bottom-tier horses possess the mathematical threshold to bypass the Top 5 into Contender status. Rankings hold firm.
