 **Track:** ASCOT

 **Date:** 16 June 2026

 **Race:** Ascot Stakes (Gbbplus Race) C2 4U HCP, 4014m

 **Status:** Finalized (Prompt 16 R&S - Dossier Integrated)

SECTION 1: Neural Field Leaderboards & Race Flow (MANDATORY)

PROJECTED RACE FLOW

- **Pace Scenario:** Moderate
- **Projected Leader:** #15 Glenroyal (AES: Est. High | Likely Lone Lead? N)
- **Stalking Group:** #14 Ismahane, #11 Bahadur, #20 Kizlyar
- **Closer/SAI Threats:** #1 Beylerbeyi (Top AFS / Turn-of-Foot)
- **Analysis:** At a marathon distance of 4014m (2m 4f), early pace numbers are heavily suppressed. The race will develop into a tactical staying test where ground-saving trips and absolute class capacity dictate the winner. The draw bias is completely neutralized at this distance (Module 9 Protocol), shifting all value to horses with elite Neural Ratings and finishing stamina.

- **#20 Kizlyar:** TPN 85 [Fringe]. Won last out, good NR (107.5), but faces a massive field test today.
- **#12 Small Fry:** TPN 85 [ Live Exotic Threat]. Warning: Global Titan jockey (Oisin Murphy) takes the ride for O'Brien. Massive intent signal despite recent form.
- **#6 Mordor:** TPN 85 [Fringe]. Exiting a 3-win Key Race.
- **#13 Westminster Moon:** TPN 83 [Fringe]. Last out winner but NR dips below the true Titans in this field.
- **#14 Ismahane:** TPN 83 [Fringe]. Consistent, but NR (106.0) leaves her vulnerable to the top tier.
- **#4 Reaching High:** TPN 80 [ Live Exotic Threat]. Warning: >300 day layoff, but Global Titan Ryan Moore rides for Willie Mullins. Do not completely ignore.
- **#8 Comfort Zone:** TPN 80 [Fringe]. High Class Capacity, but returning off a terrible "Pulled Up" equivalent effort.
- **#9 Siempre Arturo:** TPN 78 [Fringe]. Exiting a massive 4-win Key Race, but NR (82.5) is mathematically inferior.
- **#10 Defiantly:** TPN 75 [Non-Contender]. Weak NR (80.0) limits ceiling.

- **#2 Bunting:** TPN 74 [Non-Contender]. Willie Mullins yard but NR (71.0) is dangerously low.

Section 3: Automated Deep Dive & Re-Rank (Mandatory)

- **Deep Dive Alert - The "Elite Pilot Anomaly":** #12 Small Fry (NR 91.0) and #4 Reaching High (NR 94.5) both suffered heavy algorithm penalties for stale form or modest raw figures. However, they possess **Oisin Murphy** and **Ryan Moore** in the saddle, respectively. In Royal Ascot 4000m marathons, world-class riders navigating traffic is the ultimate equalizer. They have been elevated to 🌪️ Live Exotic Threats overriding their base scores.
- **Class Boss Check:** #1 Beylerbeyi is officially the best horse in the race according to the handicapper (OHR 100.0). His API (15.2) grants him Level 1 Elite Class Protection. While his TPN sits at 86, he cannot be dismissed from the bottom of exotic tickets despite carrying top weight.
