 **Track:** ASCOT

 **Race:** Palace Of Holyroodhouse (C2 3 HCP, 1005m)

 **Status:** Finalized (Prompt 16 R&S - Dossier Integrated)

SECTION 1: Neural Field Leaderboards & Race Flow (MANDATORY)

PROJECTED RACE FLOW

- **Pace Scenario:** Fast / Potential Meltdown
- **Projected Leader:** #6 Bacio (HPR: ~105 | Likely Lone Lead? N - Pressured)
- **Stalking Group:** #13 Jazl, #14 Westport, #29 Pilu
- **Closer/SAI Threats:** #11 Simplify, #2 Moojeed
- **Analysis:** An international cavalry charge down the Ascot 5-furlong straight. US Raider Bacio has explosive natural speed, but with 31 horses spread across the width of the track, the race will likely split into two distinct groups. Expect severe early pressure leading to a late stamina test where high-NR stalkers thrive.

🔒 SECTION 2: Horse-by-Horse Neural Analysis (BIMODAL OUTPUT)

A. TOP 5 SELECTIONS (Full Analysis)

#6 Bacio (Odds: Unknown)

- **Normalized TPN: 100 | Tier: Top Pick**
- **Neural Class (NR):** 158.5 (1). Massive Neural Titan, exceeding field par by over 50%. Carries the absolute class edge mathematically.
- **Physics & Pace:** AES: Top Tier | AFS: High. Drawn perfectly in BP 31 to capitalize on the High Draw Ascot edge. Elite early velocity to dictate terms.
- **Cycle & Fitness:** RTC: SU | DLS: 52. Returning as a last-out winner off a freshening layout.
- **Connections:** T: W A Ward | J: J J Hernandez.
- **Neural Tags:** 🇺🇸 Transatlantic Raider , 💎 Neural Titan , 📈 High Draw Edge (+6)
- **AI Verdict:** An elite US speed merchant arriving with top-tier Neural Ratings and drawing the favorable high stand-side rail. Receives full transatlantic immunity and projects to be extremely difficult to catch.

#11 Simplify (Odds: Unknown)

- **Normalized TPN: 97 | Tier: Top Contender**
- **Neural Class (NR):** 149.5 (3). Deep into Neural Titan territory. Well ahead of par and possesses massive "Blue Sky" upside.
- **Physics & Pace:** AES: Moderate | AFS: Elite. Maps to settle mid-pack and rely on superior late finish speed.
- **Cycle & Fitness:** RTC: 4 | DLS: 36. Peaking in the 4th run of the campaign, entering off a brilliant, hard-knocking string of form (1x112).
- **Connections:** T: A Balding | J: P J McDonald. James McDonald jumps aboard, locking in the Global Titan mandate.
- **Neural Tags:** 💎 Neural Titan , 🌐 Global Pilot Intent , 🏆 Key Race Crucible (+5)
- **AI Verdict:** Hard-knocking filly piloted by one of the best jockeys on earth. Her finish speed figures are outstanding, and she perfectly fits the profile of a stalker who picks up the pieces if the early pace melts down.

#2 Moojeed (Odds: Unknown)

- **Normalized TPN: 95 | Tier: Contender**
- **Neural Class (NR):** 152.0 (2). Undeniable class capacity as a Neural Titan with back-class superiority.
- **Physics & Pace:** AES: Moderate | AFS: Elite. Drawn in BP 24, firmly activating the High Draw Ascot edge.

- **Cycle & Fitness:** RTC: 3 | DLS: 19. Hit the absolute "Peaking" failsafe (3rd Up, improving finish 5th -> 3rd).
- **Connections:** T: F H Graffard | J: M Barzalona. Elite French handling shipping across the channel.
- **Neural Tags:** ⚠️ 3rd Up Peaking Cycle (+10) , 📈 High Draw Edge (+6) , 💎 Neural Titan
- **AI Verdict:** Has been stealthily prepped for this exact assignment. Third up, peaking trajectory, massive NR, and gets the perfect high draw to make a lethal run down the stand side.

#7 Sandal's Song (Odds: Unknown)

- **Normalized TPN: 95 | Tier: Contender**
- **Neural Class (NR):** 95.0 (15). Fringes the par mathematically, but gets heavily overridden by ownership and origin protocols.
- **Physics & Pace:** AES: Moderate | AFS: High.
- **Cycle & Fitness:** RTC: 3 | DLS: 41. Another textbook 3rd Up Peaking Cycle candidate, improving from 6th to 2nd.
- **Connections:** T: G Weaver | J: J Doyle.
- **Neural Tags:** 🇺🇸 Transatlantic Raider , 🏆 Wathnan Intent (+6) , ⚠️ 3rd Up Peaking Cycle (+10)
- **AI Verdict:** The raw NR does not tell the story here. As a US shipper backed by the surging Wathnan Racing bloc, he gets structural passes on European pars. Massive intent play hitting peak fitness.

#1 Dickensian (Odds: Unknown)

- **Normalized TPN: 85 | Tier: Contender**
- **Neural Class (NR):** 116.5 (8). Excellent ratings base, well above average.
- **Physics & Pace:** AES: Moderate | AFS: High.
- **Cycle & Fitness:** RTC: SU | DLS: 36. Entering fresh off a dominant victory.
- **Connections:** T: K Ryan | J: S Gray.
- **Neural Tags:** 🏆 Class Boss (Top OHR) , 🛡️ Last-Out Winner Form Immunity
- **AI Verdict:** The official class of the race based on the handicapper's OHR mark. He carries weight for a reason, but his last-out win shields him from form penalties. Honest and highly dangerous.

B. THE FIELD SUMMARY (Ranks 6+)

- **#25 Cherry Baker:** TPN 83 (Contender). Strong NR and activates the high draw advantage (BP 25).
- **#9 Comical Point:** TPN 82 (Contender). [🌪️ LIVE EXOTIC THREAT] Elite Titan NR, but penalized heavily for the BP 1 rail trap in this 5f geometry.
- **#4 Ten Carat Harry:** TPN 81 (Contender). Solid class metrics and gets the High Draw bump.
- **#14 Westport:** TPN 79 (Fringe). [🌪️ LIVE EXOTIC THREAT] Neural Titan with a 111 form line, but drawn in the BP 3 rail trap.
- **#13 Jazl:** TPN 78 (Fringe). Sire No Nay Never edge applied, but faces the low draw penalty.
- **#12 May Angel:** TPN 77 (Fringe). Global Pilot (Oisin Murphy) provides a bump, but draw hurts.
- **#23 Sovereign Spell:** TPN 76 (Fringe). High draw helps offset a slightly lower NR base.
- **#5 Sirius A:** TPN 75 (Fringe). OHR Boss level with Ryan Moore aboard, but NR lacks Titan status.
- **#17 Ipanema Queen:** TPN 75 (Fringe). Needs a career best but drawn well.
- **#28 Zelaina:** TPN 74 (Fringe). Receives Wathnan Racing intent bump.
- **#8 Ghost Mode:** TPN 73 (Fringe). Form suggests regression on turf.
- **#20 Calico Blue:** TPN 72 (Fringe). Too low on the neural scale vs Titans.
- **#3 Revival Power:** TPN 71 (Fringe). High OHR, but raw NR suggests a ceiling hit.
- **#19 Black Star Boy:** TPN 70 (Fringe). Mid-pack metrics across the board.
- **#30 River Spey:** TPN 70 (Fringe). Needs significant pace luck.
- **#22 Dazzling Haze:** TPN 69 (Non-Contender). Outclassed by the top tier.

- **#26 Stargazed:** TPN 68 (Non-Contender). Class limits exposed here.
- **#24 Tricky Tel:** TPN 68 (Non-Contender). Needs a weaker handicap level.

- **#31 Our Cody:** TPN 67 (Non-Contender). Needs more ground and class relief.
- **#27 Starmade:** TPN 66 (Non-Contender). Speed figures lacking.
- **#21 Miss Yechance:** TPN 65 (Non-Contender). Layoff penalty applies.
- **#10 Baker Blue:** TPN 64 (Non-Contender). Looks safely held.
- **#29 Pilu:** TPN 63 (Non-Contender). Low draw and low NR combination.
- **#15 Gentle George:** TPN 60 (Non-Contender). Lowest NR in the field.

Section 3: Automated Deep Dive & Re-Rank (Mandatory)

- **Deep Dive Alert: The "Hidden Class" Protocol**
 - **#9 Comical Point** was severely penalized strictly due to Ascot geometry (Barrier 1). However, under the *Hidden Class* rule, possessing a Top 4 Neural Rating in a projected meltdown scenario makes him a massive overlay. Re-ranked to **Contender**.
 - **#14 Westport** carries immense winning form (3 wins straight) and a Titan NR. Do not ignore him simply due to the low draw. Treat as a dangerous exotic threat.
